## INVITATION

It is our pleasure to invite you to our traditional event the **"INVENT-INVEST 2018" International Fair of Inventions and Practical Ideas, 9<sup>th</sup> Edition**, which will be held in **Chisinau, Republic of Moldova, November 9-11, 2018**. This event is organized by the **Romanian Inventors Society** and the **"Dimitrie Cantemir" State University** in partnership with the **Moldovan Inventors' Association**, the **Moldovan Research and Development Association** and the **"Gheorghe Asachi" Technical University of Iasi, Romania**,

***Under the auspices of the Academy of Sciences of Moldova (ASM)***

with the support

Chamber of Commerce and Industry, various economic agents and local authorities.

This event aims to be an exhibition of innovative products and practical ideas with innovative character that could represent a good opportunity to achieve the transfer of scientific and technical knowledge from the academic community to the productive sector and last but not least all together to be transferred to the business sector from both Romania and Republic of Moldova and the participating countries.

At the same time, this event aims to facilitate the visibility increasing of the research activity by promoting the technical creativity, giving the opportunity to different companies to apply the results of the scientific results with an innovative character. All companies that have promoted innovative products (proven by patents) or ideas with pronounced innovative character in their daily activity are invited to join this event. The topics and promoted fields cover all activity spheres, although the priority will be given to the following areas: Ecological Energy, Environment and Climate Change, as well as Intelligent Systems.

More details about our traditional event can be found on the website of the **"Dimitrie Cantemir" State University from Chisinau**, (<http://edu.asm.md/md/noutate/targul-international-invent-invest-2018>), which is the capital of Republic of Moldova, offering multiple attractions from many points of view, such as: historical, artistic, socio-cultural and touristic.
